I am a detail-oriented front-end web developer with a strong foundation in HTML, CSS, and JavaScript. Passionate about creating visually appealing and user-friendly websites, I bring a blend of creativity and technical expertise to my work. Committed to staying current with industry trends, I thrive in dynamic environments and enjoy collaborating on innovative projects. My goal is to contribute my skills to develop responsive and modern web applications.

Education

GMR Institute of Technology, Rajam

Bachelor of Technology in Computer Science and Engineering (CSE) – 2021-Present

Sri Viswasanthi Educational Institution, Vijayawada
